Dear Valued Patient,

Welcome! Please call one of our locations to schedule your first appointment.

Minors must be accompanied by parent or guardian.

Fees are due at the time of service completion.

All of our parking is free, and all locations are handicap accessible.

We look forward to helping you preserve your natural teeth.

DRIVING DIRECTIONS:

BELLEVUE: We are located in northwest Bellevue, just off of I-405 exit 13B.

You can find us in Bellevue's Family Medical Center across from Overlake Medical Tower, and nestled in Suite G1. We are on the back end of the building, facing east.

MARYSVILLE: From I-5 North or South take exit 199. Turn on to 4th Street and head East, then left onto State Ave (Old Hwy 99). Go 1/2 mile and turn right on to 10th St. We are immediately on your left in a small gray house behind the gas station and across the street from the Union Bank.

MONROE: You can find us across the street from the Evergreen State Fairgrounds, sharing a driveway with First Air Field. **From Hwy 2**: Turn north onto 179th Ave SE. You will see the *First Air Field* brick sign about 1/2 mile down the road. Turn left at the sign down the paved driveway, and we will be immediately on the left.
