

TDO PRIVACY POLICY

1. INTRODUCTION. TDO Software, Inc. (“TDO,” “us,” “we,” or “Company”) is committed to respecting the privacy rights of our customers, visitors, and other users of our website, software and products (“Products,” which include services). We deal with users directly through the Company website (the “Company Site”) and indirectly through the practice management system and Products we provide to dental professionals (“TDO Customers”). TDO Software is installed on servers in the offices of all TDO Customers and some subscribe to TDO Cloud Service that includes a website for their practice (the “Services Site”). We created this Privacy Policy to give you confidence as you visit and use the Company Site or the Services Site or deal with TDO Customers, and to demonstrate our commitment to fair information practices and the protection of privacy. This Privacy Policy is only applicable to the Company Site and the Services Site (together, the “Sites”) and the limited involvement we have with the information collected by TDO Customers. It does not cover any website that you may be able to access either from (a) the Sites or (b) TDO Customers who provision their own websites. Any of these other websites may have data collection, storage, and use practices and policies that differ materially from this Privacy Policy.

2. FOR VISITORS TO THE **COMPANY SITE** (NOT THE WEBSITES OF TDO CUSTOMERS SUCH AS YOUR DENTAL PROFESSIONAL) - INFORMATION COLLECTION AND USE

Traffic Data is anonymous information that does not personally identify you but is helpful for marketing purposes or for improving your experience on the site. We also use “cookies” to customize content specific to your interests, to ensure that you do not see the same advertisement repeatedly, and to store your password so you do not have to re-enter it each time you visit the site.

(b) **PERSONAL INFORMATION COLLECTED.** In order for you to request and receive information from us or for TDO Customers (only) to pay charges incurred or post information in discussion forums or chat groups, we require you to provide us with certain information that personally identifies you (“Personal Information”). Personal Information includes the following categories of information: (1) Contact Data (such as your name, mailing address, and e-mail address); (2) Financial Data (such as your account or credit card number); (3) Demographic Data (such as your zip/postal code, age, date of birth) and (4) Other Data Collected that could directly or indirectly identify you. If you communicate with us by e-mail or complete online forms, surveys, or contest entries, any information provided in such communication may be collected as Personal Information. (a) **USE OF INFORMATION.** We use Contact Data to send you information about our company or our Products, or promotional material from some of our partners, or to contact you when necessary. We use TDO Customer Financial Data to verify their qualifications for certain Products and to bill you for them. Those business partners have all agreed to uphold the same standards of security and confidentiality that we have promised to you in this Privacy Policy, and they will only use your Contact Data and other Personal Information to carry out their specific business obligations to the Company. If you do not want us to share your Contact Data with any third parties, please email us at webadmin@tdo4endo.com and we will do so, but please understand that such a request will likely limit your ability to take advantage of all of the features we offer on the Company Site.

(c) **USER CHOICE REGARDING COLLECTION, USE, AND DISTRIBUTION OF PERSONAL INFORMATION.** You may choose not to provide us with any Personal Information. In such an event, you can still access and use some of the Company Site; however, you will not be able to access and use those portions of the Company Site that require your Personal Information.
