DR. JAY LANG

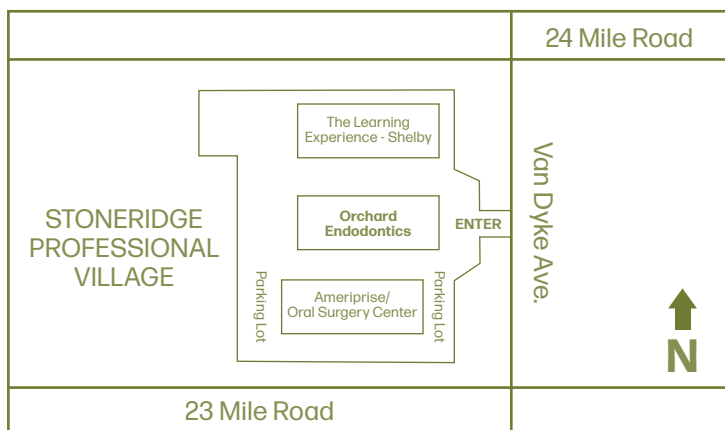

Dr. Jay Lang and his wife, Michelle, have two daughters, Emerson and Avery, and one son, Jackson. They have a very energetic Weimaraner, Murphy, that he would be happy to give to anyone who is interested. Jay is a huge MSU sports fan, and in the fall, you will find him tailgating. He loves boating, skiing, and supporting his kids in their sports and other endeavors.

I am so fortunate to work with the amazing people at Orchard Endodontics—we are more like family than co-workers.

DR. TIMOTHY DAWS

Dr. TJ Daws was born in Royal Oak, and grew up in Troy. He lives in Rochester with his wife, Nina, and their son, Leo. They love the state of Michigan and the unique activities that come with the changing seasons. TJ and Nina are welcoming a baby girl into their family this October.

I am grateful to practice with Dr. Lang at Orchard Endodontics, as we are truly in lock-step when it comes to patient care and office culture.

We are located at the traffic light halfway between 23 and 24 Mile Roads on Van Dyke Avenue in the Stoneridge Professional Village.
